

ARTS & HUMANITIES

Annie Elizabeth Kreiser
English & Secondary Education '23
Master of Education: The Art of Teaching with ESL Certificate '24

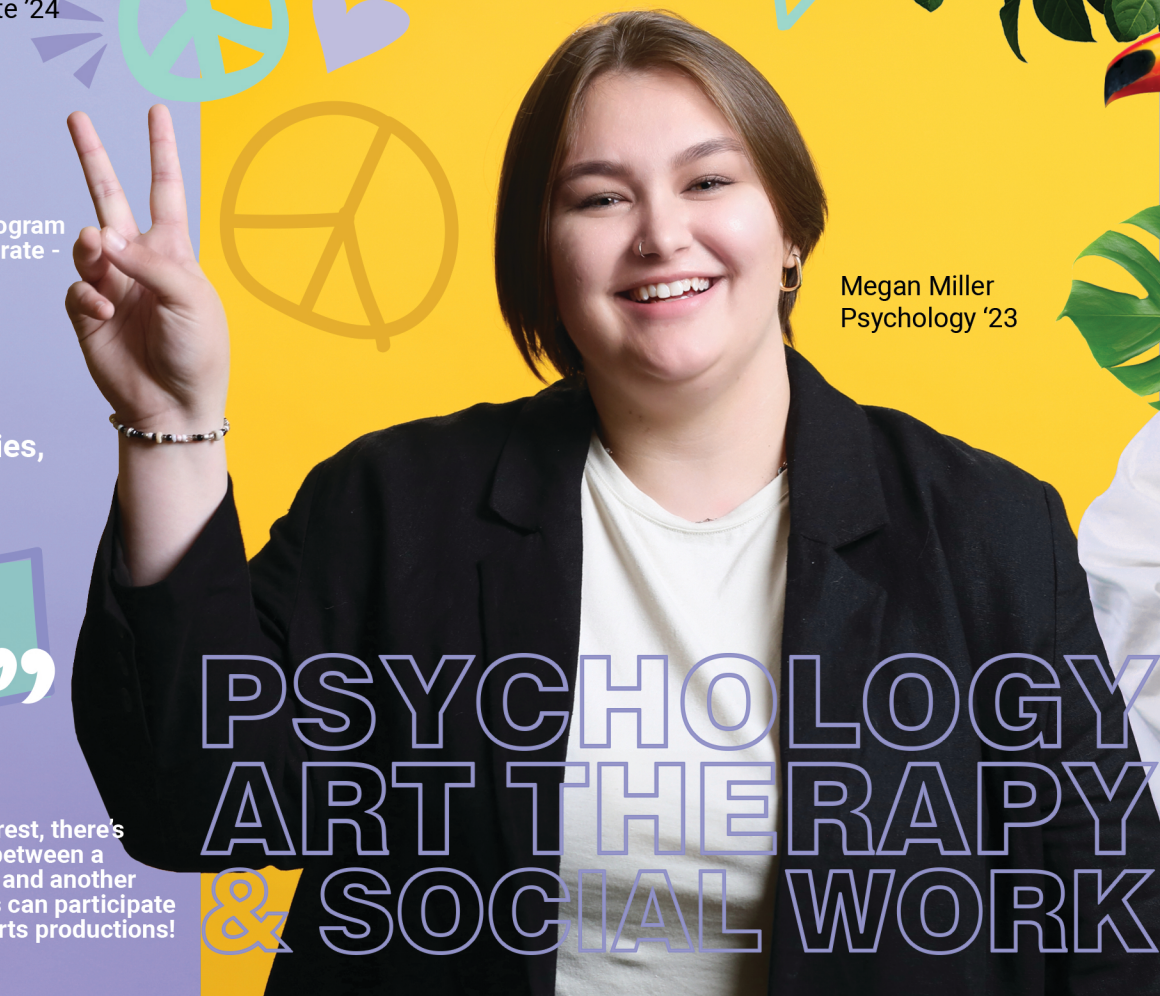

FACT: Our education program has an outstanding hiring rate - above 95%!

Programs and majors that explore human stories, ignite creativity, and prepare you to make a positive impact on the world.

“Cedar Crest’s student-centered curriculum encouraged me to find and pursue my passions.”

FACT: At Cedar Crest, there’s no need to choose between a passion for the arts and another career - all students can participate in our Performing Arts productions!

PSYCHOLOGY ART THERAPY & SOCIAL WORK

Megan Miller
Psychology '23

“It’s a very diverse campus. I love that Cedar Crest always sees you for you.”

SCIENCES & MATHEMATICS

Liesel Quay
Biology/
Psychology '24

“I got to do field research in the Amazon rainforest in Peru!”

Hands-on research in your first year? Absolutely! And throughout your college career, you’ll conduct more research — independent or collaborative — with unparalleled faculty support.

FACT: Cedar Crest was one of only seven schools awarded a grant from NASA to help address the gender gap in STEM fields!

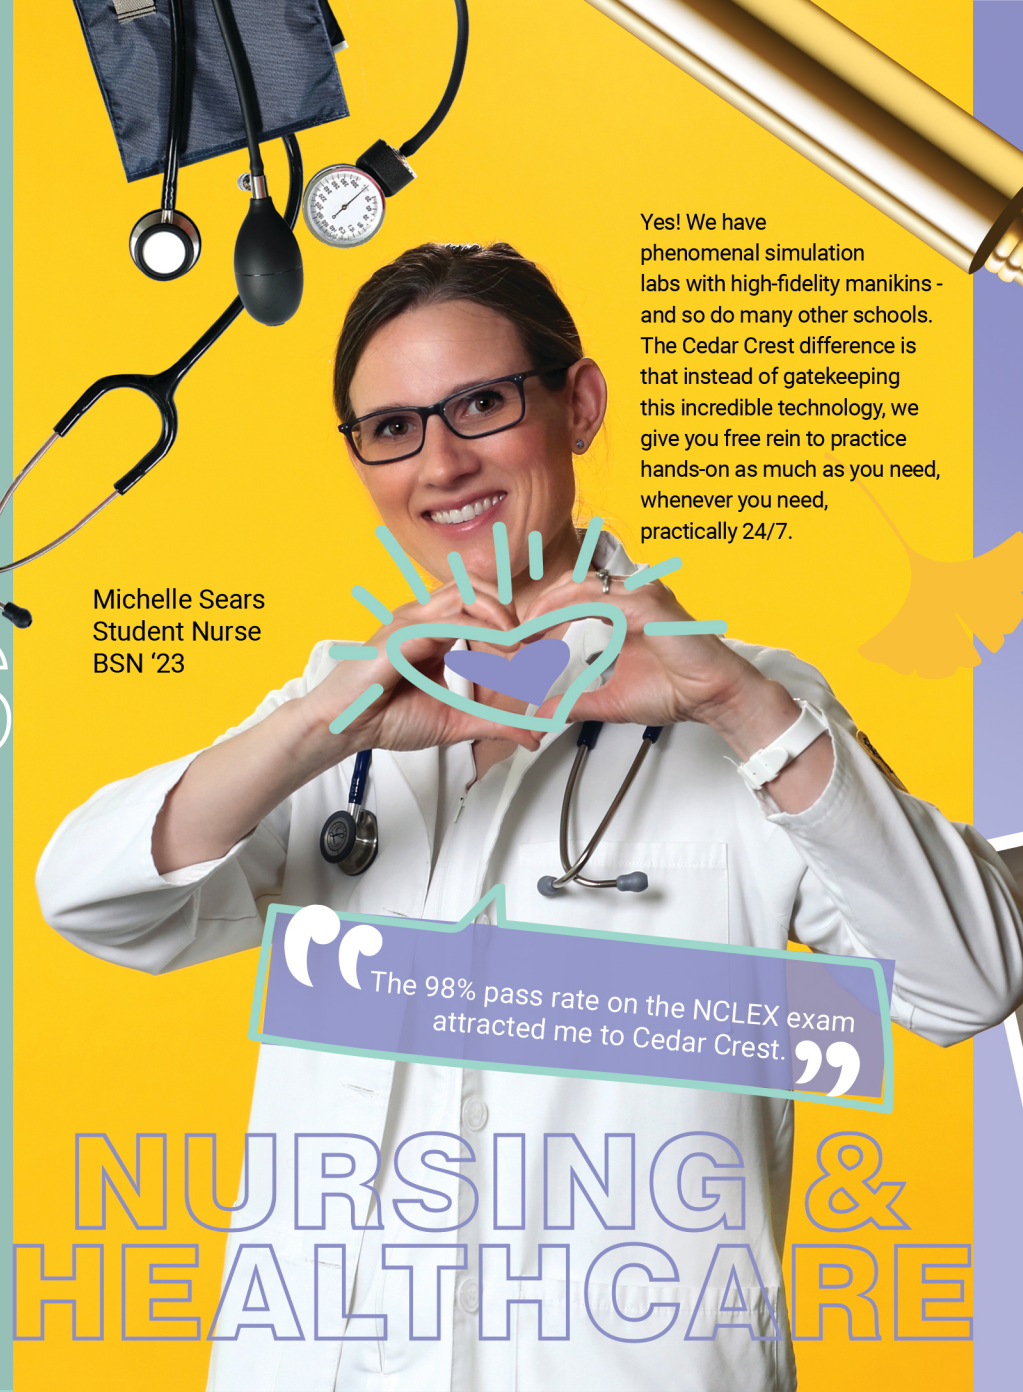

Earn your MBA in half the time and save money by taking graduate courses as part of your undergrad degree. Prepare to smash glass ceilings with our innovative Women’s Leadership Focus.

BUSINESS

FACT: We offer multiple business concentrations, so you can slay in any industry.

Earn your Bachelors and MBA in only 5 years! (4 + 1 Program)

Michelle Sears
Student Nurse

“The 98% pass rate on the NCLEX exam attracted me to Cedar Crest.”

Yes! We have phenomenal simulation labs with high-fidelity manikins - and so do many other schools. The Cedar Crest difference is that instead of gatekeeping this incredible technology, we give you free rein to practice hands-on as much as you need, whenever you need, practically 24/7.

NURSING & HEALTHCARE

FACT: Cedar Crest College is home to the Center for Police Innovation and Community Engagement, a professional collaboration with the City of Allentown and the Allentown Police Department.

CRIMINAL JUSTICE & FORENSIC SCIENCE

FACT: Our Forensic Science programs are some of the only FEPAC-accredited bachelor’s and master’s degrees in the country.

WE SEE YOU
